School

Somersworth High School & Career Technical Center is a comprehensive 4-year high school and regional career technical center with a student population of 449 and a faculty of 53. The school serves students in grades 9-12 from the City of Somersworth and the Town of Rollinsford. Somersworth High School is accredited by the New England Association of Schools and Colleges and the New Hampshire Department of Education.

Community

The 2015 ACS 5 year report estimates Somersworth's population to be 11,778 and the 2015 ACS 5 year report for Rollinsford's population is 2,525. Both communities are located in the Seacoast area of New Hampshire. Local and regional industry provide the major sources of income for the communities.
